CO-PRESIDENTS' NOTE

Just think how some pansies or daffodils would brighten up that mud pile in your back yard! Although the ground is still quite soggy, it's not too early to start planning your garden. Today, March 31st, Mahoney's will donate 10% of your purchase to Winchester Public Schools. No special flyer is necessary; just let them know at check-out that you are shopping to support the schools. Another way to brighten your day is to visit Sue Costello's Lincoln art website. The address is lincolnnartroom.info. This fabulous site showcases the work of all of our students. It is password protected for parents. (user name: lincolnnart password: artists). Sue has toiled endlessly to bring this fun and relevant website to life. A huge thank you goes out to her for giving us a bird's eye view of her fabulous classroom. Please plan on coming to our next LSPA meeting on April 8th at 8:30am. In addition to learning about committee openings for next school year, we will have our school psychologist visit to discuss playground issues and behavior. We look forward to seeing you there! Best, Linda McDonough and Bridget Stump

5TH GRADE EARTH DAY CLEAN UP

5th graders from across Winchester are celebrating Earth Day (a bit early) at the 5th grade Clean Up Earth Day event. Be sure to sign up your 5th grader for this fun and rewarding celebration of earth. It's all happening on Wednesday, April 14th, from 2:45 to 4:00 p.m. More details can be found in your child's backpack, or pick up a flyer at the LSPA table.

HEALTH UPDATE

Pediculosis: Please continue to check your child's hair frequently for head lice. If you find any cases, please notify me so I may check the whole classroom. If you need assistance, feel free to call the health office.

Heights and Weights: for the entire school population will commence in April.

Illness: The gastrointestinal virus that has affected most of the schools over the last month seems to have tapered off. There seem to be quite a few outbreaks of conjunctivitis and strep throat.

Strep throat: is here at Lincoln. Sore throats may or may not be present with Strep, and not all kids have a fever. Children often complain of a stomachache and headache with Strep throat. If a diagnosis of Strep is made, students should stay at home until they have had at least 24 hours of antibiotic treatment and fever is gone.

There have also been a number of reported headaches, without fevers, lately. Please feel free to follow up with me if your child has reported consistent headaches.

Epipens: I am still interested in any expired epipens. I will use them in September to train the entire staff at Lincoln. Thanks to

those who have donated some.

Attention All 5th Grade Parents:

A physical examination is now required for all 5th grade students entering McCall Middle School in September. Written validation of an examination dated between June 2009 and June 2010 will be accepted. Please continue to forward the forms to me as soon as your child has had his/her physical.

5th Grade Human Growth and Development

Program for 5th grade students will be held in May. The date is TBD. Notices to parents/guardians will precede the program, as well as an opportunity for parents to preview the films.

In addition, the Winchester Public Library will host author Susan Lubner, who will present a program for preschool children at 9:45 am. Authorfest is designed to strengthen children's love of reading and help improve their writing skills. Personal contact with a published author often sparks student enthusiasm and classroom achievement in unexpected ways. Among the authors/illustrators visiting Winchester this year are: Maryann Cocca-Leffler, Dan Mahoney, Lita Judge, Nancy Poydar, Barbara O'Connor and Anna Alter. Classroom visits aren't open to the public, but everyone is welcome at the town-wide book sale and signing at **Town Hall from 3:00pm - 5:00pm**. Authorfest is run by volunteers and funded by each school's parent association and grants from the Winchester Foundation for Educational Excellence (WFEE), the Winchester Cultural Council (a local agency supported by the Massachusetts Cultural Council, a state agency) and the EnKa Society.
